# What's Happening on Transportation:

- Working to maximize historic FY 23 investments in transportation programs
  - EV/high efficiency vehicle incentive programs, EV charging (including multi-family), transit/micro-transit, bike/pedestrian investments etc
- Advanced Clean Cars II and Advanced Clean Trucks Rules adopted
  - More EVs available starting 2026 model year
  - 100% zero emissions vehicles starting in 2035
- Vermont Climate Council
  - Cap & invest or performance standard
  - Reporting & tracking foundation

# The 2023 Legislative Session: T-Bill & Miscellaneous DMV Bill

## Transportation Bill – “T-Bill”

FY23 focused on EVs. FY24 needs to focus more on investments in non vehicular options. Expand:

- Mobility and Transportation Innovation Grants
- Bike and pedestrian programs and grants
- E-Bike incentives
- EV charging at multi-family dwellings, workplaces etc

## Miscellaneous Department of Motor Vehicles Bill (A more policy focused bill)

- Complete Streets + Bike and Pedestrian Investments
- Vehicle Efficiency Price Adjuster (fee-bate at point of sale; recommendation in Climate Action Plan)
- Gasoline “superusers”
